Folks,

The clip is now available. Let me know how it is.

All,

The interview/Roundtable went as planned. Attached is the outline that Karen Woodworth used for the interview, and she followed the script pretty close. No surprises.

Two pieces will be developed from the interview. One will be a 30 minute piece that is an unedited version of the entire roundtable. The second will be a 9-10 minute edited clip used for a shorter format program. They thought they would

be on the web site and available by early next week. I will forward them as they become available. Let me know if you have questions.

Paul

Hello Gentlemen,

It looks like while the 17th is a good date the time needs to be later in the day. Let me know what time that day between 11am and 4pm works best and we will adjust our schedules accordingly.

To confirm, the guests on the set that day will be Jeff, from Kalamazoo City, Paul, from State DEQ and Michael from the EPA.

Thanks
 Brian Gonda

Good Morning, Jeff –

I am uncertain regarding the time. I have been assured it is on April 17. I talked with Gina on Monday and we were waiting for confirmation from USEPA-Region 5 regarding times they were available. Due to driving times, it was indicated to me that the window between 11 AM and 4 PM would work for Michael.

Hopefully, we'll hear back later today regarding the specific time on the 17th.

Sorry for any confusion.

Bruce

I thought we were all confirmed for taping on April 17 at 10:00 am at the PMN Portage location per the email at the bottom of this email chain. Correct?

Brian,

I am pretty sure we are a go for 4/17, I just want to confirm that with Michael.

Hello Gentlemen

Just following up to see if there is a consensus on a date to record the Allied Roundtable at PMN, April 17th or April 20th, at 10 am.

Thanks

Subject: Allied Roundtable at PMN

Gentlemen,

I am following up on Karen Woodworth's earlier emails to confirm that all three of you (Jeff from the City of Kalamazoo, Paul from DEQ and from the EPA, Michael Berkoff) will be at our studios in Portage

on Friday, April 17 at 10am for an on camera roundtable discussion on the upcoming public meetings and the latest proposal from the EPA re: the Allied Landfill site. We will record a 30 minute show that will air on our Govt Channel, (Charter Channel 190 and AT&T Channel 99) and also use a shorter version for our Monthly government magazine show, *Connect*.

Connect is a monthly show that airs seven days a week at 7:30 a.m., 6:30 p.m., and 12:30 a.m. on the Public Media Network Government Channel (Charter Channel 190 and AT&T Channel 99). Our current shows are always available on our website, www.publicmedianet.org, and our current and past stories are archived on our website so that they will continue to be available. You'll be welcome to embed the video of both the *Connect* interview excerpt and the 30-minute roundtable interview in your websites if you'd like.

Our Portage studios are located at 8107 Mustang Drive, Portage, Michigan. From US-131, take the Centre Street exit and head east. Mustang Drive is the first light after the intersection of Centre and S. Westnedge. Mustang Drive is also the entrance to Portage Central High School. Our studio is located in the south end of the building that also houses the Portage Public Schools Administration offices. Please look for our white and blue Public Media Network sign. We have reserved parking right in front of our door.

Thank you in advance for your cooperation in getting this important information out to our viewing audience.

Sincerely
Brian Gonda
Executive Producer
